Subject: Re: Ferry Inquiry

Good morning Sarah

I do hope you enjoyed the Christmas and New Year break. Having had the opportunity of reading the revised 50 odd pages from the Applicant I have slightly modified my submission Appendix MT3. I shall be speaking to this during the Inquiry and in order to avoid confusion or delay I am attaching the revised document. I would be pleased if you could ensure that it is available on the SFC website and delete the original.

Many thanks

Malcolm
